

PASTORAL SEARCH FINANCIAL REALITY CHECKLIST

This form is to assist the session of a church whose pastor has just left to determine the extent of the church's potential for supporting the services of a pastor. It should be completed and submitted to the Committee on Ministry Transitions Subcommittee before the election of a Pastor Nominating Committee. The Committee on Ministry will counsel with your session regarding the types of pastoral service available to you.

I-Membership Trends

The following information may be found in the Annual Statistical Reports your session is required to approve and send to the Presbytery each year.

1. Total Membership 5 years ago _____
2. Total Membership 4 years ago _____
3. Total Membership 3 years ago _____
4. Total Membership 2 years ago _____
5. Total Membership 1 year ago _____

What do the five-year membership figures show?

If Line 5 is larger than Line 1, subtract Line 1 from Line 5. This will show your five-year net gain: _____. If the reverse is true, subtract Line 5 from Line 1 to find your five-year net loss: _____.

Please note that this is only a worksheet. Figures are based on the previous pastor's compensation which may now be below the Presbytery's minimum requirements. This will make actual figures vary slightly, as may other costs such as the prior year's medical deductible amount.
