a live interactive webcast

LEADING IN A RAPIDLY CHANGING WORLD

Tod Bolsinger, MDiv, PhD is the Vice-President & Chief of Leadership Formation, and Assistant Professor of Practical Theology at Fuller Theological Seminary. He is a speaker and author of three books including *Canoeing the Mountains: Christian Leadership in Uncharted Territory*.

*How do we minister—how do we lead a ministry—
in such a rapidly changing world?*

“Seminary didn’t prepare me for this” is the statement that Tod frequently hears from his clients. Fuller Seminary alumni echoed this lament in a 2010 survey, suggesting that even those with extensive education and preparation may need help when navigating the uncharted waters of unexpected missional challenges.
