

# Presbyterian Women share what they love! Won't you share *Horizons*?

**Y**ou know all that *Horizons* has to offer—theological reflection, inspiration, interpretation of issues facing the world, connections to what other PW groups are doing. Chances are, you also know someone who isn't a subscriber and who would be enriched by *Horizons*. What about your pastor, a woman in your congregation, a seminary student or a woman who just joined your PW group?

Share their names and we'll send them three free issues of *Horizons* (and offer free access to the digital edition)! \*

**Thank you for sharing *Horizons*!**
