

# Mission Projects

*Mission projects we all could participate in and feel good about, together in service project for our Presbyterian Women in the Synod of the Northeast.*

**Participating in Socktober is as easy as you'd like to make it!  
Here are some simple steps to get started:**

- **Collect Socks:** Start by setting up a donation box at your workplace, school, or community center. Encourage colleagues, friends, and family to contribute.
- **Donate:** At the end of the month, gather all the collected socks and donate to your local homeless shelter, senior center, battered women's shelter, or prison.

*Beyond Socktober*

November could be donations to food banks for Thanksgiving items. December could be toys for tots for the children in your local community. We could collect gloves and hats for the adults and children in your local homeless shelter or senior center.

*Adina Yacoub, PWSNE CT member for Mission / Together in Service*
