### ABOUT US

1 Peter 4:10-11 (NLT)

- Stillwater United Church is where community happens: the Food Pantry, the Attic Angels, which provides free clothing, and the monthly Free Community Breakfasts that recognizes and honors community groups. We are known as a congregation that serves others by using our gifts and talents with joy, compassion, fellowship, outreach, and a sprinkling of fun!
- Our small congregation is Christ centered and prayerful. We are hope filled, joy filled and filled with the Holy Spirit, sharing the good news offered to all through Jesus Christ. We love to sing! Our music ministry deepens the spiritual experience of celebrants, and the 15-member choir rocks the foundation with their spirit filled voices.

### RESPONSIBILITIES

- Lead Sunday worship services, provide pastoral care and spiritual guidance to our members and others who walk through the door.
- Foster a sense of community engagement and belonging through our outreach programs, fellowship events and local organizations.
- Collaborate with our dedicated team of volunteers and church leaders.

- Interested candidates are invited to contact our PNC Co-Chairperson, Beverly Frank at [sucpnc@gmail.com](mailto:sucpnc@gmail.com)
